Notes: Dear Ms. Saoud,

My associate at Knobbe Martens Olson & Bear, who is the attorney of record for application 09/632,074, would like to schedule an interview with you. He will be in town from San Francisco on May 12, 2005 and wonders if you would be available on that day, preferably at either 10:00 AM or 1:00 PM. Could you please contact me at 703 486-1150 and tell me if this would be acceptable to you? We have left voicemail messages concerning this matter, and would appreciate a response at your earliest convenience. Thanks for your help!

Regards,

Chris Robbins
